

## AMJC President's Welcome Message to MOSCOW INTERNATIONAL RECYCLING EXPO – 2018

Dear Participants,

It is our great pleasure to invite you to join us at **MIR EXPO**, the greatest scrap-event of 2018 in Russia Congress Park at the Radisson Royal Hotel from 26<sup>th</sup> to 29<sup>th</sup> of March.

I am personally delighted, that **MIR EXPO** takes place in Russia, Moscow, the place we have been represented since USSR time. It is the considerable prospect to share the news with brother in trade, while the members of the community can plan their attendance in the light of exciting keynote talks being delivered by Ruslom.com for metal scrap and recycling industry.

The education program will focus on all aspects of the world recycling technologies of metal scrap, E-scrap, glass, paper and plastic, with an emphasis on ecological norms, Russian and global trends, leadership and management, technological issues of collection and recycling.

We will review advanced experience in metal scrap and E-scrap of international standard. **At our booth №10**, we expect more informal features of the meeting, you can also participate in competition between E-scrap specialists for precious value assessment of circuit boards, which we hope you will find stimulating and enjoyable.

We look forward to seeing you in Moscow.

Sincerely,

Shigeo Nakamura  
President of Advanced Material Japan  
Corporation
